Note: State the proposed unit price for the tests and the services (non-test related) associated with each of the above respective line items as indicated. For the Owner's information, provide the extended price for each line. Complete all blanks on the form unless the Owner indicates a particular line is "Not Used". In the event particular services of a technician, engineer or principal engineer are determined not to be applicable for the particular category of service, Vendor shall stipulate such by indicating N/A in the respective blanks.
